

CAL-CHLOR

GUARANTEED ANALYSIS	
Calcium (Ca).....	12.0%
Derived from Calcium Chloride.	

KEEP OUT OF REACH OF CHILDREN
CAUTION:
 Harmful if swallowed. Avoid contact with skin, eyes, or clothing. In case of contact, immediately flush skin or eyes with water for at least 15 minutes.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.regulatory-info-we.com/>

FIRST AID
 In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. **IF IN EYES**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

STORAGE AND DISPOSAL
 Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.
 Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with Federal, State and local regulations.

GENERAL INFORMATION
 FOLI-GRO® is manufactured specifically for use as a liquid foliar or soil applied fertilizer. Its use is suggested as part of a Total Nutrition System® program to enhance yields and quality.
 Application of FOLI-GRO® is a means of obtaining a quick response to needed elements. Foliar applications of FOLI-GRO® may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system.
 Research has shown that foliar-applied nutrients are absorbed more efficiently by plants than are those supplied from the soil. Nutrient translocation to all parts of the plant is generally more rapid when applied foliarly.
 Avoid applications of foliar nutrients to crops during periods of moisture, salinity or heat stress.
 A good tissue testing program may be helpful to monitor and to maintain optimum plant growth and development.

DIRECTIONS FOR USE
FOLIAR APPLICATION
 1. Add amount of water to be used to tank.
 2. Add FOLI-GRO® CAL-CHLOR to water and mix.
 3. Wash sprayer thoroughly after use.

Apples: Apply 3 to 6 quarts per acre in 100 to 400 gallons of water at 10 to 14 day intervals throughout the growing season. To build residual Calcium levels, apply in late season followed by post-harvest applications. FOLI-GRO® CAL-CHLOR can be used as an orchard spray to help prevent bitter pit in apples.

Pears: Apply 2 to 6 quarts per acre in 100 to 400 gallons of water at 10 to 14 day intervals from June through August.

Vegetables and Row Crops: Apply 2 to 6 quarts per acre in enough water to ensure thorough coverage. Apply when crop has 8 to 10 true leaves. Repeat as needed to protect new leaves and fruit, especially during periods of rapid crop growth. Avoid application of product during periods of high temperature (above 90 degrees F) and low humidity, because foliar damage may occur to sensitive crops.

Post-Harvest Applications: FOLI-GRO® CAL-CHLOR may be used in conjunction with all post-harvest sprays, dips, or washes where Calcium Chloride has been proven safe.

Drench Tank: Combine 1 gallon FOLI-GRO® CAL-CHLOR with 75 gallons of water.

FERTIGATION
Potatoes: Apply 10 gallons per acre at hooking and a second application 2 to 3 weeks later.

Other Crops: Apply 5 to 10 gallons per acre during periods of rapid growth. To improve water infiltration and reduce water runoff, apply 8 to 10 gallons per acre. Re-apply, if needed, in 3 to 4 weeks.

Washington State laws require the EPA-approved safety devices be in use when this product is used in any irrigation system.
 Due to relatively low rates of calcium movement in the plant, multiple applications of FOLI-GRO® CAL-CHLOR are usually required for season long protection against calcium deficiencies. The number of sprays recommended will depend upon the severity of the calcium deficiency. Consult your local crop specialist for recommendations.

NOTE: When used at standard rates and dilutions, FOLI-GRO® CAL-CHLOR is compatible with most pesticides and some fertilizers. **It is not compatible with phosphates or sulfate based products.** Always use caution: the use of test strips is recommended when trying new applications or applying to new varieties. A Jar Test is recommended when trying tank mix combinations for the first time.

Conditions of Sale and Limitation of Warranty and Liability:
NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
